ONS Docs Included in Castle Connolly New York Top Doctors Guide, 18th edition

13 Specialists from ONS included in New York Area Medical Guide Book top primary care and specialty care doctors in the tri-state metropolitan New York area.

GREENWICH, CT – Thirteen physicians from Orthopaedic and Neurosurgery Specialists (ONS) on Valley Drive are included in the latest edition of Castle Connolly Top Doctors, New York Metro Area guidebook. The resource directory, which is in its eighteenth edition, is a guide to finding the top primary care and specialty care doctors in the tri-state metropolitan New York area. It details information on over 6,400 physicians in 65 specialties. Physicians profiled in the guide were nominated by their peers and screened by a research team at Castle Connolly.

ONS physicians included in the 18th edition of the guide are **neurosurgeons** Paul Apostolides, MD; Mark Camel, MD; Amory Fiore, MD; and Scott Simon, MD, **orthopedic surgeons** Michael Clain, MD; John Crowe, MD; James Cunningham, MD; Frank Ennis, MD; Steven Hindman, MD; Brian Kavanagh, MD; Seth Miller, MD; David P. Nocek, MD; Paul Sethi, MD; Katie Vadasdi and **physiatrist** Jeffrey Heftler, MD.

“We congratulate our physicians who have been recognized as ‘Top Doctors’ by **Castle Connolly**,” said hand and wrist specialist Dr. John Crowe. “Having thirteen of our fine doctors included in this authoritative guide is a reflection of the commitment and quality of excellence of all our physicians and entire staff at ONS. The multidisciplinary nature of ONS makes it possible to provide patients with access to the most advanced care available in orthopedics, and neurosurgery.”

Castle Connolly Top Doctors[®] are nominated by their peers including physicians and hospital executives throughout the New York metropolitan region in an online survey process. Nominations are open to all board certified MDs and DOs. Nominated physicians are selected by the Castle Connolly physician-led research team based on criteria including medical education, training, hospital appointments, disciplinary histories and much more.

Survey recipients are asked to nominate those doctors who, in their judgment, are the best in their field and related fields-- especially those to whom they would refer their own patients and family members.

Orthopaedic and Neurosurgery Specialists PC (ONS) is an advanced multi-specialty orthopedic and neurosurgery practice in Greenwich, CT. ONS physicians provide expertise in sports medicine, minimally invasive orthopaedic, spine and brain surgery, joint replacement and trauma. For more information, please visit www.onsmd.com.
